# Our Products

## Silverback Mountain Strength Gin 46% abv

An elegant, citrus forward, craft gin awarded four medals over two years at the IWSC.

Perfect for Martini or as a G&T. Suggested pairing is Fever-Tree Mediterranean Tonic.

## Silverback Old Tom Gin 43% abv

A deliciously rich, slightly sweetened gin based on the same formula as our award winning Mountain Strength Gin but with lots more oomph!

Perfect for a Tom Collins or as a G&T. Suggested pairing is Fever-Tree Tonic.

# Our Products

## **Blackback Mountain Strength Vodka 46% abv**

Super smooth, super premium vodka crafted from 100% British Wheat.

Gold Medal winner at 2017 IWSC.

The perfect partner for vodka cocktails or mix with Fever-Tree Tonic for a punchy V&T.

## **Maraba Coffee Liqueur 30% abv**

Single estate Bourbon Arabica coffee from Maraba, the coffee growing district of Rwanda, makes this incredibly rich but smooth liqueur with buttery chocolate notes.

Mix with Blackback and your favourite cola for an amazing Black Russian.

# Our Charity

Only 880 Mountain Gorillas survive today and the Gorilla Organization, a UK charity, is working tirelessly to protect them.

We donate £1 from every bottle of our products sold and our vision is to become the No.1 private sponsor of this amazing organisation.

We have a formal Agreement with the Gorilla Organization who have full audit rights over our books and our support is therefore entirely transparent.
